PARADA DI LUS SAN NICOLAS

WEDNESDAY 7TH FEBRUARY 2024
STARTS AT 8.00 PM

For the 'PARADA DI LUS SAN NICOLAS' we will be participating with the theme of 'PRIKICHI KAWETA' (NOSY PAREKEET). You'll get a decorated hat with handmade parekeet with hot pink feathers and lights symbolizing one of the native birds of the island. For more information about 'PRIKICHI KAWETA' (NOSY PARAKEET), you can click HERE. You will also get a vest in the colors of the parakeet bird and a mug which will light the minute it gets a drink poured into it. For this parade, you can dress up in whatever you want. Don't forget to wear comfy footwear. (You can also get your carnival make-up and your fantasy hairdo if you like, see the 'extra service tab on the webpage' HERE)
